

CURRICULUM VITAE

NAME : Elsie E. Gulick
ADDRESS : 28 Rocktown Hill Road Ringoes, NJ 08551
PHONE NUMBER: 609-466-3564 (h)

EDUCATION

| <u>Institution</u> | <u>Degree</u> | <u>Date</u> | <u>Major-Minor</u> |
|---|---------------|-------------|----------------------|
| New York University New York, New York | PhD | 1981 | Nursing Research |
| New York University New York, New York | MA | 1972 | Parent-Child Nursing |
| Trenton State College Trenton, New Jersey | MA | 1967 | School Nursing |
| Trenton State College Trenton, New Jersey | BA | 1962 | School Nursing |
| St. Luke's Hospital School Of Nursing Bethlehem, Pennsylvania | RN | 1953 | Basic Nursing |

HONORS

| | <u>Date</u> |
|---|-------------|
| Dean's Faculty Service Award for Outstanding Services To students and College of Nursing | 5/2000 |
| American Association of Neuroscience Nurses Award that recognized Excellence in Writing for the 1996 article, "Research priorities for nurses caring for persons with multiple sclerosis," <u>Journal of Neuroscience Nursing</u> . | 1997 |
| Recipient of NJSNA Award for Excellence in Research | 1996 |
| Consortium of Multiple Sclerosis Centers Labe C. Scheinberg Award for Best Poster Presentation in Neurorehabilitation, Minneapolis, MN. | 9-25-94 |

HONORS (cont.)**Date**

| | |
|---|--|
| Inducted as a fellow in the American Academy of Nursing | 10-13-90 |
| Recipient of an annual supplemental salary adjustment in recognition of excellence of service to the University, awarded by the president of Rutgers, The State University | 6-99, 6-98, 6-94 6-91, 6-90, 6-89 6-88, 7-87, 6-86 7-85, 7-82 |
| Selected to participate in a two year continuing education project, Measurement of Clinical and Educational Nursing Outcomes, sponsored by the University of Maryland, College of Nursing | 2-84 to 6-85 |

PROFESSIONAL EXPERIENCE**Academic Rank or****Title of Position****Institution****Date**

| | | |
|---|---|---------------------|
| Professor Emerita | Rutgers, The State University Of New Jersey - College of Nursing | 7-1-02 to present |
| Professor | Rutgers, The State University of New Jersey – College of Nursing | 9-1-94 to 6-30-02 |
| Director PhD Program in Nursing Professor | Rutgers, The State University of New Jersey – College of Nursing | 7-1-92 to 6-30-94 |
| Director Ph.D. Program in Nursing Associate Professor | Rutgers, The State University of New Jersey – College of Nursing | 7-1-89 to 6-30-92 |
| Interim Director Ph.D. Program in Nursing Associate Professor | Rutgers, The State University of New Jersey – College of Nursing | 11-21-88 to 6-30-89 |
| Associate Professor | Rutgers, The State University of New Jersey – College of Nursing | 7-1-88 to 11-20-88 |
| Director Office of Research Associate Professor | Rutgers, The State University of New Jersey – College of Nursing | 7-86 to 6-30-88 |

PROFESSIONAL EXPERIENCE

| <u>Academic Rank or Title of Position</u> | <u>Institution</u> | <u>Date</u> |
|---|---|--------------------|
| Acting Director Office of Research Coordinator, Teaching Nursing Home Project Assistant Professor | Rutgers, The State University of New Jersey - College of Nursing | 9-83 to 6-86 |
| Administration and facilitation of research within RCN and Teaching-Nursing Home Project at Bergen Pines; NLN Self-Study Steering Committee; Ph.D. in Nursing Planning Committee; Thesis Advisement, Teaching: graduate and undergraduate courses | | |
| Assistant Professor | Rutgers, The State University of New Jersey - College of Nursing | 9-82 to 8-83 |
| Ph.D. in Nursing Planning Committee Research; Thesis Advisement; Teaching: graduate and undergraduate courses | | |
| Assistant Professor | Rutgers, The State University of New Jersey - College of Nursing | 9-79 to 6-82 |
| Research teaching: graduate and undergraduate courses; course leader for Nursing Process I & II; Nursing Intervention IV & I | | |
| Supervisor, part-time | Ewing Twp. Health Dept. contracted through Trenton V.N.A. | 7-80 to 12-80 |
| Coordination and supervision of public health nursing services for Ewing Township | | |
| Coordinator | Division of Nursing Trenton State College Trenton, NJ | 9-77 to 1-78 |
| Coordinated school nursing certification program; developed instructional materials for school nurse practicum | | |

PROFESSIONAL EXPERIENCE (cont.)

| <u>Academic Rank or Title of Position</u> | <u>Institution</u> | <u>Date</u> |
|---|---|----------------------------|
| Assistant Professor | Division of Nursing Trenton State College | 9-72 to 6-77 |
| Teaching Undergraduate: Introduction to Nursing, Parent-Child Nursing, School Nursing, Public Health Nursing | | |
| Staff nurse, part-time | Visiting Nursing Assoc. of Trenton Trenton, NJ | Summers: '73-74, '77-78 |
| Pediatric Nurse Practitioner | Trenton Neighborhood Health Center | 7-73 to 9-73 |
| Health Assessments of pediatric clients | | |
| Staff nurse Pediatrics | Princeton Medical Center Princeton, NJ | 5-72 to 8-72 |
| Staff Nurse Obstetric Nursing | Hunterdon Medical Center Flemington, NJ | 6-71 to 7-71 |
| Staff Nurse School nurse services | Trenton Public Schools Trenton, NJ | 6-62 to 6-70 |
| Staff Nurse | Hunterdon Medical Center Flemington, NJ Medical Nursing | 1953-1960 |

RESEARCH AND TRAINING ACTIVITIES

Research Support

International Organization of Multiple Sclerosis Nurses, Principal Investigator, Bowel Dysfunction among Persons with Multiple Sclerosis, March 1, 2009-July 31, 2009, \$5,000.00.

International Organization of Multiple Sclerosis Nurses, Principal Investigator, Job Satisfaction Among MS Certified Nurses, June 1, 2005-May 31, 2006, \$5,000.00.

Anonymous donor through Rutgers, The State University of New Jersey, Principal Investigator, Survey of Dietary and Physical Activity Practices of Persons with Multiple Sclerosis, September 1, 2004 -August 31, 2005, \$1,000.00.

Minority Biomedical Research Support Grant, NIH, Associate investigator subproject, Effects of Infant Feeding Method and Postpartum Support on Health of Mothers with Multiple Sclerosis, Sept. 1, 2000 to June 30, 2000 - \$2,545.64, July 1, 2000-December 31, 2001, \$2,600.00.

Rutgers, The State University of New Jersey, Research Council, Effects of Infant Feeding Method and Postpartum Support on Health of Mothers with Multiple Sclerosis, 6-1-98 to 5-31-1999, \$2,500 awarded.

The Paralyzed Veterans of America Spinal Cord Research Foundation, PI, Factors that Affect the Wellbeing of Families with Multiple Sclerosis, June 1, 1998, \$149,827 for two years, not funded. Resubmitted June 1, 1999, \$157,208 for two years. (not funded)

Minority Biomedical Research Support Grant, NIH, associate investigator subproject, MS Patient's Self-Assessment of Health, 7-1-91 to 6-30-95, \$66,280.

National Multiple Sclerosis Society Small Grants in Health Services Research, principal investigator, Relationship Between Patient and Staff Assessment of MS Patient's Health Status, 6-1-90 to 12-31-91. Amount of the award is \$20,000.00.

Rutgers, The State University, Research and Sponsored Programs Research Council Grant, (PI) Factors Influencing Task Performance Among Persons with MS. Awarded 7-1-90 to 6-30-91, \$1,500.

Minority Biomedical Research Support Grant, NIH, associate investigator for project, Evaluation of the ADL Self-Care Scale for Persons with Multiple Sclerosis, 7-1-87 to 6-30-91. Amount of the award is \$58,928.

Biomedical Research Support Grant-Newark, principal investigator, Determination of Concurrent Validity for the MS Self-Care ADL Scale. Awarded 7-1-86 to 3-31-87. Amount of award is \$750.

Biomedical Research Support Grant-Newark, principal investigator, The Efficacy of Periodic Self-Assessment of ADL Functioning Among Persons Diagnosed With

Multiple Sclerosis. Awarded 7-1-85 to 3-31-86. Amount of award \$1,000.

RESEARCH AND TRAINING ACTIVITIES (cont.)

Research Support (cont.)

The Robert Wood Johnson Foundation's Research and Development Program to Improve Patient Functional Status Award, principal investigator, Self and/or Family-Administered ADL Scale for Assessing and Monitoring ADL Functions Among Persons With Multiple Sclerosis. Awarded 3-1-85 to 2-29-88. Amount of award is \$138,579.

New Jersey Department of Higher Education Computers in Curriculum Grant, (PI) with J. Arnold (co-PI), Microcomputers: Essential Technology for Nursing Education. 8-1-85 to 8-30-86, \$42,000.

Minority Biomedical Research Support Grant, NIH, associate investigator for project #5, Food Beliefs, Food Behavior and Pregnancy Outcome Among Urban Black Americans. Awarded 9-30-84 to 9-30-87. Amount of award is \$18,898.

Rutgers, The State University of New Jersey, College of Nursing Research Award, principal investigator, Urban Minority Pregnant Women's Food Beliefs: Pilot Study. Awarded 3-83 to 2-84. Amount of award is \$400.

Sigma Theta Tau, Alpha Tau Chapter, principal investigator, Urban Minority Pregnant Women's Food Beliefs: Instrument Development. Awarded 7-82 to 6-83. Amount of award is \$500.

Rutgers, The State University of New Jersey, College of Nursing Research Award, Urban Minority Pregnant Women's Food Beliefs: Instrument Development. Awarded 6-82 to 2-83. Amount of award is \$405.

Trenton State College, Faculty and Institutional Research and Sabbatical Leave Committee, principal investigator, Breastfeeding Teaching-Learning Module. Awarded 1-77 to 6-77. Amount of award is \$300.

Non-Funded Research Activities

Date

Completed

The relationship between toddler health and duration of breastfeeding, principal investigator, follow-up study on infant health and breastfeeding study.

1982-1984

Development of an elimination and related factors profile for elderly persons, principal investigator.

1982 to 1986

RESEARCH AND TRAINING ACTIVITIES (cont.)

Research Support (cont.)

- The relationship between MS and health-related information, locus of control, and support systems with level of function among persons with multiple sclerosis, principal investigator with S. Hennessey, patient services coordinator, mid-Jersey chapter, National MS Society (co-investigator). 1980-1983
- The relationship between infant health and duration of breastfeeding, principal investigator, follow-up study on doctoral research. 1980 to 1982
- Comparison of two teaching-learning approaches for Breast-feeding content in a baccalaureate nursing program, principal investigator, Trenton State College, Trenton, NJ. 9-77 to 1-78
- Locus of control and its relationship to school nurse students' perception of traditional and expanded school nurse roles and functions: A pilot study, principal investigator, Trenton State College, Trenton, NJ. 1-77 to 6-77

Non-Funded Research Activities

- Smoking Cessation Program for Urban Teen Mothers, principal investigator, L. Flynn, co-investigator, Essex County Visiting Nurse Association. 8-96 to 7-97

PUBLICATIONS

Dissertation

Gulick, E.E. The relationship among expectant mothers' sex role orientation, nurturance, maternal attitudes, information on breastfeeding and success in breastfeeding, Ph.D. dissertation, New York University, Ann Arbor, MI: University Microfilms, Inc., 1981.
